## 1. Introduction

This plan is based on the [contingency framework for managing local outbreaks](#) of COVID-19 and the [schools operational guidance](#), provided by the Department for Education (DfE).

We will only implement some, or all, of the measures in this plan in response to recommendations provided by our local authority (LA), Directors of Public Health (DsPH), Public Health England (PHE) health protection team or the national government.

It may be necessary to implement these measures in the following circumstances, for example: To help manage a COVID-19 outbreak within the school. Actions will be considered when either of the following thresholds are met:

- There are 5 positive cases amongst pupils or staff who are likely to have mixed closely within a 10-day period
- 10% of pupils or staff who are likely to have mixed closely test positive within a 10-day period
- If COVID-19 infection rates in the community are extremely high, and other measures have failed to reduce transmission
- As part of a package of measures responding to a 'variant of concern' (VoC)
- To prevent unsustainable pressure on the NHS

## 2. Seeking Public Health Advice

When one of the thresholds above is met, we will review the testing, hygiene and ventilation measures already in place.

We will also seek public health advice from a director of public health or health protection team. Karen Law (Headteacher) will be responsible for seeking this advice, and will do so by telephoning the DfE helpline (0800 046 8687).

## 3. Shielding

We will adhere to national guidance on the reintroduction of shielding, which would apply to those on the [shielded patient list \(SPL\)](#).

We will speak to individuals required to shield about additional protective measures in school or arrangements for home working or learning.

## 4. Other Measures

Parents, carers, pupils and staff will be informed promptly about the introduction of control measures. This will be done via email once a decision has been made.

If recommended, we will limit:

- Residential educational visits
- Open days
- Transition or taster days
- Parents coming into school
- Live performances
- If recommended, we will introduce:
  - Testing, including the use of an asymptomatic test site (ATS)
  - Bubbles, to reduce mixing between groups
  - Face coverings in communal areas and classrooms for staff and visitors (unless exempt)

## 5. Attendance Restrictions

Attendance restrictions will only be recommended as a last resort. If recommended, we will implement the measures in this section.

### **5.1 Eligibility to Remain in School**

If restrictions are recommended, we will stay open for:

Vulnerable pupils

Children of critical workers

### **5.2 Education and Support for Pupils at Home**

All other pupils will be required to stay at home and will receive remote education.

We will aim to deliver remote education that meets the same quality and quantity of education that pupils would receive in school, as outlined in our Remote Learning Policy, which can be found at the following link to our school website: <http://www.willimpatten.hackney.sch.uk/covid-19/remote-learning/>

The school will continue to provide school lunch for pupils eligible for benefits-related free school meals while they are not attending school because of COVID-19 isolation guidelines. Parents will be able to order and collect a packed lunch from school each day
