Geography – Local Area – Around our School: Y1 Topic Vocabulary Mat

Subject Specific Vocabulary		Relevant Pictures	Exciting Books/Websites
map	A drawing or plan of part of the earth's surface. You can use a map to find out where somewhere is, and it can help you to be able to find it.	  <p>William Patten Primary School, Stoke Newington Church Street, London. England. N160NX</p>	https://www.bbc.co.uk/bitesize/topics/zqj3n9q/articles/zjd66v4 https://www.bbc.co.uk/bitesize/topics/zqj3n9q/articles/zr8q7nb 
map symbols	Little signs, like pictures, which show where things are on a map.		Other information  https://www.cleanairforukids.org.uk/home/the-map
aerial view	The view from directly above and looking down. Sometimes called a 'bird's eye view'.		
Satellite photograph	A photo taken from the camera on a satellite – a machine that travels around the earth, in space.		
city	A large and important place, bigger than a town. London is a city.		
urban	A busy place, like a town or city, with lots of buildings and where lots of people live.		
rural	A quieter place, where less people live, such as the countryside with small villages, farms and farmland.	What I've learnt already	Key Knowledge
address	The details of where somebody lives including house number, street name, town and postcode.	EYFS: <ul style="list-style-type: none"> We have talked about the journeys we have made, where we have visited, where our families live around the world. I have described life in an urban and rural environment. 	<ul style="list-style-type: none"> Every house and street in our country has a name and a postcode. The name of the street is usually on a wall or a sign at the beginning of the street.
postcode	Part of an address made up of letters and numbers. A postcode tells postal workers where to bring your letters.		<ul style="list-style-type: none"> Your address has the name of the street you live in, the number or name of your house; the village, town or city you live in and a postcode. This is how the postal workers know where to bring your letters.
physical features	The characteristics or features of a place that are natural. Hills, mountains, lakes, rivers, and vegetation are all physical features.		<ul style="list-style-type: none"> An aerial photograph is a photograph taken from above. It allows you to see lots of roads at once, like on a map.
human features	The characteristics of a place that were made by humans. Shops and roads and human features.		<ul style="list-style-type: none"> Maps have symbols on them to show us important buildings and other features of the area. Physical features are characteristics of a place that are naturally occurring. These include features of the land (hills, mountains), bodies of water (lakes, rivers) and vegetation (trees, plants).
