# Y2 Art – Sculpture: Topic Vocabulary Mat

Subject Specific Vocabulary		Relevant Pictures	Exciting Books/Websites
natural material	Materials from nature, used to build or make something e.g. wood, clay, cotton.		<ul style="list-style-type: none"><li>How to make pottery</li><li><a href="https://www.youtube.com/watch?v=52ipR2t9ROI">https://www.youtube.com/watch?v=52ipR2t9ROI</a></li><li>How to make a pinch pot</li><li><a href="https://www.youtube.com/watch?v=4fOLUQpFGVQ">https://www.youtube.com/watch?v=4fOLUQpFGVQ</a></li></ul>
man-made material	Materials made by man, used to build or make something e.g. plastic, steel, paper		
clay	Moist, stiff earth that is used for making brick, pottery, and tile.		
mould	To form an object or shape (out of malleable material).		
score	To scratch hatch marks on the surface of the clay, so it is easier to join it, with slurry, another piece.		
slurry	A mixture of water and an insoluble solid (watery clay is also called 'slip').	<b>Other information</b> <ul style="list-style-type: none"><li>Watch this Science video to remind yourself what you already know about different materials.</li><li>Can you see how different materials have different uses? <a href="https://www.youtube.com/watch?v=2td5mfgf1OI">https://www.youtube.com/watch?v=2td5mfgf1OI</a></li><li>Here is a video showing art made or clay and dry materials. Enjoy! <a href="https://www.youtube.com/watch?v=eIS7ulbUwIY">https://www.youtube.com/watch?v=eIS7ulbUwIY</a></li></ul>	<b>Black History Month</b> <ul style="list-style-type: none"><li>David Drake, was an enslaved African American who created stoneware jars in 19th-century Edgefield, South Carolina.</li><li>A highly regarded artist and poet, David Drake's inscriptions (engraved writing) convey his intelligence, humour and creativity, and offer a glimpse into his feelings about enslavement.</li><li><a href="https://www.slam.org/blog/daring-eloquence-the-ceramic-poetry-of-enslaved-potter-david-drake/">https://www.slam.org/blog/daring-eloquence-the-ceramic-poetry-of-enslaved-potter-david-drake/</a></li><li><a href="https://craftindustryalliance.org/6-black-ceramicists-to-support-right-now/">https://craftindustryalliance.org/6-black-ceramicists-to-support-right-now/</a></li></ul> 
score and slip	The process of joining two pieces of clay is often called "score and slip."	<b>What I've learnt already</b> <p>Y1:</p> <ul style="list-style-type: none"><li>A sculpture is a 2D or 3D form and can be carved from wood or stone or constructed using other materials.</li><li>Sculptures can be made from natural or man-made materials.</li><li>Sculptures can be used to represent a range of creative ideas. They can be permanent or temporary.</li><li>A freestanding structure needs a solid or flat base in order to be able to stand.</li><li>Materials can be joined in a variety of ways e.g. glue, masking tape.</li></ul>	<b>Key Knowledge</b> <ul style="list-style-type: none"><li>Pots are a type of container which is hollow inside</li><li>Pots have been used throughout history, by different civilisations and different types of pots were decorated according to their purpose and the era (e.g. Ancient Greece)</li><li>Water makes clay softer and easier to mould.</li><li>Clay is a natural material that has been used to produce pots because of its malleable nature. Clay can crack when it dries if it is too thin.</li><li>Materials can be man-made or natural. They have different qualities, and the choice of material will affect the way the product looks.</li><li>A sculpture is usually a 3D art form.</li></ul>
tools	Various instruments that help to shape or decorate clay.		
3D art	Art with three dimensions - a length, width and height. For example, statues and sculptures.		
sculpture	The art of making statues or other objects by carving, chiselling, or moulding.
