Y2 D&T- Textiles: Y2 Topic Vocabulary Mat

Subject Specific Vocabulary		Relevant Pictures	Exciting Books/Websites
puppet	A doll that looks like a person or an animal. Some puppets move by being placed over a hand, and others move by strings held from above.		https://www.youtube.com/watch?v=1FknfumFPX8 
fabric	Cloth that is woven or knitted; material.		Other Information
design	To make or draw plans for the structure or form of.		Skills/techniques/tools being used in Art and D&T: https://www.youtube.com/watch?v=vEg371M5dDw Note to parents: Our puppets will already be cut out and we won't be using a glue gun.
needle	A thin instrument made of steel with a hole at one end for thread and a sharp point at the other. A needle is used for sewing cloth.		
thread	A fine cord used in sewing, weaving, and the like. Thread is usually made of two or more fibres such as cotton twisted together.		Key Knowledge
stitching	One movement of a needle and thread through cloth or other material when sewing.		To know what Design criteria is and how it can be used to create a product.
threading	To pass thread through the hole of the needle.		To know which equipment is needed to sew material together.
tension	The act of stretching. In terms of sewing, it refers to how tightly you pull the thread.		To know and use key vocabulary, as relevant to the project: seam, thread, stitch.
seam	A line formed by sewing two pieces of fabric together.		To learn basic skills of threading a needle and basic stitching to hold two pieces of fabric (felt) together.
decorate / finish	To make more beautiful by adding decorations to your puppet.		To know how to evaluate their product against the design criteria and suggest improvements.
