		What I've learnt already	Key Knowledge
		Y1: <ul style="list-style-type: none"> I can give examples of some of the key physical and human features of the U.K I know and can explain what the weather is like in the UK. I know that weather changes throughout the year and can name the seasons. I know and understand some of the dangers of weather and the effect that 'extreme' weather can have on our surroundings I know and can explain some ways the weather affects us in the clothes we wear, how we travel and the things we do. I know what hot and countries might look like and how they might differ according to the weather. 	<ul style="list-style-type: none"> To know that there are human and physical features within an area To know that Uganda is a country in Africa and be able to locate it on world map To know that Uganda lies on the equator and that the distance from the equator affects weather To know what life is like for people living in Jinja To know what school and family life is like in Walukuba West and Kyomya (pronounced chomya').
