Art: Sketching - Y5 Topic Vocabulary Mat

Subject Specific Vocabulary		Relevant Pictures	Exciting Websites
sketching	Making in a rough drawing of something.		Sketching KS2 Using a sketching pencil - Bing video Sketching KS2 Pencil Tones - Bing video ks2 detailed drawing lesson of how to draw animals - Bing video
tone	A way of describing the lightness or darkness of an object.		Other information  <p>Where would you start drawing? Where is the central focal point?</p>
shading	The darkening or colouring of an illustration or diagram with parallel lines or a block of colour.		
vanishing point	A point on the horizon line where all lines meet.		
expression	Using emotion and feeling rather than just reality (in art).		
mood	How an artist communicates feeling and emotion through their artwork.	What I've learnt already	Key Knowledge
shadow	A dark area or shape produced when an opaque object comes between rays of light and a surface.	Y2	<ul style="list-style-type: none">A vanishing point can be used to give the impression of depth in a picture.
		Y3	<ul style="list-style-type: none">Objects that are drawn smaller appear to be further away and objects that are drawn larger appear to be closer.
light	The natural agent that stimulates sight and makes things visible.	<ul style="list-style-type: none">Art can be observational or created from imagination and memory. It can also be influenced by first-hand experiences.A wide range of marks, with varied angle, speed, pressure and sharpness can effectively show tone, shape pattern and texture in a pencil drawing sketch.Different pencils can be used to create different effects and shadows and shade can support the representation of 3D form.	<ul style="list-style-type: none">Altering shade and colour can impact mood and expression in a sketch or painting.
pattern	In art a pattern is a design in which lines, shapes, forms or colours are repeated.		<ul style="list-style-type: none">Art can be autobiographical and influenced by an artist's experience or culture.Using different materials (such as pencils or charcoal) can impact what is conveyed in a work of art.
texture	Texture is one of seven elements of art. It is used to describe the way a three-dimensional work actually feels when touched.		<ul style="list-style-type: none">Specific art pencils are more suitable when creating specific effects when sketching.Altering shade and colour can impact mood and expression in a sketch or painting.
