Geography – The UK: Y1 Topic Vocabulary

Subject Specific Vocabulary		Relevant Pictures	Useful Websites
country	A large area of land, often where people live under the same government.	<p>The United Kingdom The United Kingdom is made up of Northern Ireland, England, Scotland and Wales</p> 	https://www.ordnancesurvey.co.uk https://www.britannica.com/quiz/know-your-uk-geography-quiz https://teachers.thenational.academy/lessons/what-is-the-united-kingdom-71k32c
capital city	The city where the government of a country is located.		<p>UK mountain ranges and significant rivers.</p> 
English Channel	A section of the Atlantic Ocean, between England and France.		
North Sea	A sea that is part of the Atlantic Ocean. It lies to the west of Great Britain.		
Irish Sea	A sea that is part of the Atlantic Ocean, between the islands of Ireland and Great Britain.		
Atlantic Ocean	A large area of salt water that is between Europe and Africa to the East and North and South America to the West. It is the world's second largest ocean.	<p>What I've Learnt Already</p> <p>EYFS:</p> <ul style="list-style-type: none"> We have looked at natural landscapes (such as forests, mountains, seaside, deserts etc.) and human-made landscapes (such as buildings, parks, cities, roads etc.) We have talked about how to look after the environment and how to respect and care for the natural environment. We have shared our knowledge of the different landscapes that we have Experienced (urban and rural). I have considered some similarities and differences between different religious and cultural communities in the UK. 	<p>Key Knowledge</p> <ul style="list-style-type: none"> London (where we live) is the capital city of England. England is one of four countries in the U.K. The four countries in the U.K are: England, Scotland, Wales and Northern Ireland. The capital cities of each country in the U.K. are: London, Edinburgh, Cardiff and Belfast. The seas surrounding the U.K are: The English Channel, North Sea, Irish Sea and the Atlantic Ocean. Key physical features of the U.K include, rivers, valleys, sea, mountains, hills, forests, cliffs and beaches. Key human features of the U.K. include villages, towns, cities, harbours, factories, offices, farms, ports, houses and shops. Towns and countryside have similar and different geographical features.
rivers	Large, natural streams of water that flow towards a lake, sea or ocean.		
mountains	Land areas with great height and steep sides that are higher than hills.		
villages	A small town or community, often in the country.		
towns	An area with streets, houses, and buildings that is larger than a village but usually smaller than a city.
